

Clinical Research Associates High Expertise Local Presence

In need of a trusted partner to support your clinical study in Northern Europe?
Consider a CRA from a local and trusted CRO.

You find our CRA team in all of the Nordic countries, as well as in Germany and the UK. Something that unites all of LINK Medical's CRAs is the extensive experience and know-how of running clinical studies, across a broad spectrum of indications and regulatory environments. With local presence we ensure good oversight and consistently high quality throughout the entire study.

Let us lead the way – tell us about your CRA needs
